

IN & AROUND W14

We are your West London's Neighbourhood Hideaway.

Our cherished location is an authentic London residential neighbourhood, a stones throw from the vibrancy of Shepherd's Bush, White City, and well connected to the heart of London.

BUSHSTOCK

On **15th June**, Shepherd's Bush will be buzzing with concerts at various venues across the neighbourhood, brought to you by the crew behind Communion Music.

We are proud to be hosting one of the biggest stages in K West's Courtyard, for the fourth year running.

HOLLAND PARK

With just a short walk away from the hotel, this beautiful park is one of London's finest green spaces. It has a lot to offer to anyone wanting to escape the hustle and bustle of the city life.
